Loan/ Advance payment policy

Introduction:

The advance payment policy is applicable to full-time employees of Affine in need of advance salary for emergency, health issues or any unforeseen circumstances which is beyond an individuals' control. It entails important guidelines about applicants' eligibility, criticality of the situation, approval process, advance adjustments etc.

Eligibility:

- This policy applies to all full-time employees who has rendered at least one year of service, regardless of position or rank.
- An employee is eligible for salary advance, once in twelve-month period.

Things to remember:

- The maximum advance available is one month's gross salary only.
- In case of any add on advances, Management approval is mandatory.
- After taking salary advance, if an employee initiates resignation, the total balance amount will be recovered from their full & final settlement or the same must be repaid for release from the duties.

Approval process:

- HR to understand the criticality of situation as well as analyse if the requested amount is within the limit.
- Post HR sign offs, the request is submitted to Ashish Maheshwari/Vineet Kumar for final approval by the applicant with a copy to Finance and HR.
- Upon approval, the advance is credited to the applicant's salary account.

Payment terms:

- The Staff Advance allotted to an employee would be recovered in subsequent months in three equal instalments.
- Offshore: HR will update Greythr with recoverable amount in the subsequent months' payroll for the individual.
- Onsite: The recoverable amount must be updated on Monthly Payroll Report.
