

Internal Job Posting

Policy brief & purpose:

Our internal job posting policy outlines our instructions for posting and communicating job openings internally before doing so externally. We are committed to investing in our employees and helping them advance their careers within our company whenever possible.

Scope:

This policy applies to our full-time employees.

Eligibility:

- An individual should have completed at least 6 months within the organization
- The individual should not have availed sabbatical/ long leave in last 6 months

Process:

- HR to publish the IJP as per the request/ approval from respective function head
- Basis the role requirement an employee can upskill themselves
- Employees can express a desire to the manager and HR
 - HR to check on eligibility, send a summary to manager as well as function head
 - Manager to get an approval from function head
 - Post approval, HR to set up interview
 - Only one round of interview will be conducted
 - HR to send a final summary to function head adding – Eligibility, Interview feedback, Parity number & Transfer date
- Once received a go ahead from Function head, employee needs to serve 1 month notice in the existing team to ensure smooth transition
- Manager to ensure that KT is completed in case the employee is shortlisted for the role
- HR to communicate the Transfer and inform relevant stakeholders on the movement
