

Work from Home Guidelines

The document is designed to ensure that all employees understand what is required of them while they work from home.

Work expectations

Employees must follow the work schedules provided to them, be sure to meet deadlines, uphold high quality standards, and submit daily reports. And while some flexibility is allowed, the employee must agree to work set hours as much as possible. Tools will be made available to employees for managing time and tasks, communicating with co-workers, logging and tracking projects, and accessing resources. Performance will be measured on the same metrics that apply to work done from the office

Relocation assistance: For existing employees, who have travelled home or to a different location would be required to report to the Bangalore office once office resumes. There would not be relocation expenses provided to such employees.

Technology:

At a minimum, employees need a laptop, internet, and phone access. You are responsible for following all practices and policies to maintain security on your device. Speak to your internet/cell provider about your plan(s) to ensure that you have them in place. Affine does not cover the cost of home internet and phone and does not ensure personal technology.

Remote working that works.

To ensure that employee performance will not suffer in remote work arrangements, we advise employees to follow below parameters: -

- Choose a quiet and distraction-free working space
- Dedicate full attention to their job duties during working hours.
- Adhere to break and attendance schedules agreed upon with their manager.
- Ensure their schedules overlap with those of their team members for as long as is necessary to complete their job duties effectively.

Communication

- Most communication during the WFH will be in the form of written via emails.
- All priority emails need to be attended at the earliest possible.
- Mode of communication has to be done through Company provided tool only.

Affine Analytics Private Limited

46 A and 47, Behind HSR BDA Complex, HSR Layout,
Sector 6, Bengaluru KA, IN – 560102.
Tel: +91-80-66790500 | Web: affine.ai | Mail: info@affine.ai

Contact Information

Update your current residential address and emergency contact numbers (in case of any changes) on ACIS. It is mandatory to inform the HR team, Accounts team & respective Manager in case of any movements within India or outside India.

Asset Submission

If an employee resigns, as a part of exit formalities completion, the individual will be responsible for handing over the assets to Affine office. Only after receiving the confirmation/clearance from respective departments, HR will issue the relieving letter and process Full & Final settlement

Security

As per the employment agreement, securing data and company information should be of utmost concern. Any breaches in security protocol will lead to strict and swift disciplinary action. Employees will be given access to a Virtual Private Network to secure connections with company servers and networks. Employees are advised to avoid using any public WIFI to maintain client and work confidentiality. This rule is in place to protect the employee and Affine from any unwanted exposure including virus attacks, compromise of network systems and services, and legal issues.

Compliance with Policies

While working remotely, employees must adhere to all the conditions in the Employee Handbook. All company policies around conduct, confidentiality, leave, etc., continue to apply, regardless of location.

****** Disciplinary actions will follow policy transgressions of any kind.
